Jeffrey Michael Zamora II was diagnosed with AML (Leukemia) at the very young age of 1 ½. Jeffrey lost his battle with the cancer a short 8 months later and was a very dear friend of my 5 year old daughter and mine. With the love and support of his friends and family and the Teddy Bear Cancer Foundation his family was able to spend every waking moment with him.

I will be running the LA Marathon in Jeffrey's memory, to help raise money for the wonderful Teddy Bear Cancer Foundation in order to help support other families in Jeffrey's situation. Jeffery Michael Zamora II is a true hero and inspiration and I am blessed to have known such a beautiful boy.
