

PROJECT CHRISTMAS: Sponsor a family at \$100 value per child in family

SPONSOR A TBCF FAMILY FOR PROJECT CHRISTMAS

We selected **26 low-moderate income families** with a child currently in treatment or newly diagnosed who are not able to financially and emotionally provide Christmas this year because of their new circumstances. These sponsorships allow each child in treatment and their siblings to choose exactly what they want from Santa (**gifts valued at \$100 and below**). We give you their wish lists, and you "play Santa" by shopping for their gifts. Wrapped gifts, stuffed stockings, Christmas trees and other little extras will be personally delivered by our very own Holiday Elves to each child's home.

Project Christmas Individual Sponsorship Opportunities (can be made separately)

- Gift Sponsorships: \$100 gift per child in family
- Christmas Tree Sponsorships: \$50 per family
- Grocery Gift Card (food sponsorships): \$50 per family

IMPORTANT GIFT INFORMATION

- Deadline for gift sponsorships: **November 10th**
- Gifts should be ready for pick-up/delivery by: **November 20th**
- All gifts should be labeled with each child's first name, first initial of last name, gender and age

This is a wonderful opportunity to help families less fortunate while bringing a little holiday magic to the season. Thank you so much for your time and interest. If you have any other questions, please don't hesitate to contact Becca Solodon by email at becca@teddybearcancerfoundation.org or phone (805) 563-4785.
