	Median Income	68450	78250	88000	97800	105600	113450	121250	129100
	Moderate Income	82150	93900	105600	117350	126750	136150	145500	154900

THINGS TO REMEMBER WHEN LOOKING AT THE INCOME LIMIT GUIDE

If a family is slightly above income limit level at the time of diagnosis and application process, we look to the social worker to indicate if they will now be within the low-to-moderate income level during their first year of treatment due to their new circumstances. Application consideration and approval is based on projected income, however, please indicate in social worker letter reasons as to why you project they qualify for our Financial Stability Program.
