'Moments in Time'

"Moments in Time" has replaced "Saks & the City" as a new signature event for the Teddy Bear Cancer Foundation. The event from 7 to 11 p.m. Saturday at the Santa Barbara Club, 1105 Chapala St., will be "A Masked Affair" with a masquerade theme. "Moments in Time" is a foundation program that grants special requests to children with cancer, such as special outings, meeting celebrities and uniquely themed parties. Each year, the annual fundraiser will feature a different theme and location. Tickets are \$125 per person or \$225 per couple. For more information, call 962-7466.
