

How to Make a Gift of Stock to Teddy Bear Cancer Foundation

Before or at the time of transfer, please let us know:

- Donor name(s)
- Name of stock and ticker symbol
- Number of shares
- Expected date of transfer
- Purpose of the gift (if any)

This allows us to properly identify and acknowledge your gift.

2. Instruct Your Broker to Transfer the Shares

Ask your broker to transfer the stock electronically via DTC using the following information:

DTC #: 0075

Account held with: LPL Financial

Account Name: Teddy Bear Cancer Foundation

Account #: 5558-5873

Tax ID (EIN): 14-1872081

3. Acknowledgment of Your Gift

Once the stock is received, we will send you an acknowledgment including:

- The name of the stock
- Number of shares received
- Date of transfer

IRS regulations do not allow nonprofits to state the dollar value of stock gifts.
