

Youth Philanthropy Program

YOUTH SUPPORTING YOUTH

Philanthropy begins with a spark of passion, a desire to do good, and be a change maker in your community. Youth will gain first-hand experience in philanthropy and entrepreneurship. Our goal is to mentor young people through their fundraisers and demonstrate how easy and rewarding philanthropy can be. We help guide them from concept to implementation to delivering that oversized check!

TBCF will mentor kids from elementary school to college-aged and help them raise funds with goals starting at any amount! TBCF can assist these youths in developing the leadership skills and commitment necessary to set and achieve meaningful objectives.

WHY IS SEPTEMBER SPECIAL?

September is National Childhood Cancer Awareness Month!

WHY GOLD?

Although many colors were considered, gold was agreed upon as the ideal choice for childhood cancer awareness because gold is a precious metal, and is therefore the perfect color to reflect the most precious thing in our lives - our children. The Gold Ribbon Campaign is TBCF's flagship awareness and fundraising endeavor and is held each September in recognition of National Childhood Cancer Awareness Month.

ENROLLMENT IS OPEN ALL YEAR LONG

Please call Reva Stewart at 805.265.0690 or
Reva@teddybearcancerfoundation.org

Our Mission: Empowering families living in Santa Barbara, Ventura, and San Luis Obispo counties that have a child with cancer by providing financial, educational, and emotional support.

How it works!

GIVE BACK

WHY RAISE FUNDS FOR TBCF?

Teddy Bear Cancer Foundation supports local families with financial, educational, and emotional support from their child's diagnosis, during treatment, and into recovery.

LEARN THE VALUE OF FUNDRAISING

Kids might not realize it at the time, but they will use these skills forever: balancing budgets, talking to other people, and setting goals. These are essential skills for today's kids.
